HOW TO USE

Adults 18 years and older: Add 1 stick pack to 250 mL of water and stir. Do not pour into a full water bottle as fizzing could cause an overflow. Do not exceed the recommended daily intake of 2 stick packs. Consult a health care practitioner for use beyond 3 months.

Do not use if outer seal is broken or missing or if packet is torn or open. Ask a health care practitioner before use if you are pregnant, breastfeeding or have diabetes, you are taking antidepressant medication, blood thinners or digoxin. When using this product please note biotin amounts may interfere with diagnostic laboratory tests. Stop use and ask a health care practitioner if you experience insomnia, anxiety or headaches. **Keep out of reach of children.**

KEY INGREDIENTS & BENEFITS

- B Complex supports the body's ability to metabolize nutrients
- Gingseng Root (used in herbal medicine) to help support physical capacity and performance
- Folate, also known as Vitamin B9, is in methylated form that is more bioavailable than other forms of folate, helping the body to form red blood cells
