HOW TO USE

Adults 18 years and older: Take 1 stick pack (7.7 g), 1 time per day. Take two hours before or after taking other medications or Natural Health Products. Add 1 stick pack to 240 ml of any cold or room temperature water. Take with first bite of food/meal. For anti-nausea use, take a single dose 30 minutes before travel. Avoid adding to hot liquids as high temperatures can be detrimental to the probiotics in the formula. Do not exceed the recommended intake of 1 stick pack per day. For prolonged use, consult a health care practitioner.

TIP: Diversify your nutrient intake with GreenSynergy Elixir™ PLUS BeWell Superfood Greens, with additional blends of fruits and vegetable concentrates to support your health.
