

MUSHROOMPOWDER DAILY DEFENCE

A daily superblend of mushrooms that supports your immune system, and has been used in herbal medicine to help increase resistance to stress! With only 5 ingredients, this blend derived from mushroom extracts contains standardized bioactive polysaccharides. With a uniquely selected mushroom blend to support normal immune function, this mild-tasting powder is your daily defence to environmental stressors. Featuring Reishi with adaptogenic properties to help increase resistance to stress, and Lion's Mane with antioxidants and immunomodulating properties. With a slightly earthy, yet neutral taste, it blends seamlessly into a shake, smoothie bowl, oatmeal or preferred beverage. Third-party tested, free of fillers, binders, additives.

60 g, #6087

NPN: 80123940
